

UNIVERSITÄT ZU LÜBECK
CBBM | CENTER OF BRAIN, BEHAVIOR
AND METABOLISM

CBBM Neuro Methods Lecture Series

Discussing advanced methods of human neuroscience research

Held online via Webex: <https://uni-luebeck.webex.com/meet/ulrike.kraemer>

13.05.2024 at 3 pm

Non-invasive imaging of metabolites using CEST MRI

Nirbhay N. Yadav, Ph.D.

The Johns Hopkins University School of Medicine

17.06.2024 at 4 pm

Advanced proton magnetic resonance spectroscopy

Malgorzata Marjanska, Ph.D.

University of Minnesota

15.07.2024 at 3 pm

Leveraging open neuroscience for multiscale investigations of human brain structure and function

Jessica Royer

McGill University

Organized by:

Ulrike Krämer (Spokesperson of the CBBM MRI steering committee)

Martin Göttlich (Technical coordination, CBBM MRI core facility)
